

NOTICE TO HOLDERS

Warrants issued by SG Issuer will be transferred from Nasdaq Stockholm AB to Nasdaq First North Stockholm effective on 15 December 2017

NASDAQ has decided to transfer all financial instruments deemed securitised derivatives listed on its regulated market Nasdaq Stockholm AB to its multilateral trading facility Nasdaq First North Stockholm which is also operated by NASDAQ. The first day of trading on Nasdaq First North Stockholm will be Monday, 18 December 2017. As a result, warrants issued by SG Issuer will be transferred to Nasdaq First North Stockholm.

Important information and key dates:

- Trading will move from a regulated market to a multilateral trading facility. Holders with restrictions on holding instruments that are not listed on a regulated market may need to take action
- You will still be able to trade warrants through the relevant distributor(s)
- Affected instruments* will be transferred on the evening of 15 December 2017
- Trading on Nasdaq First North Stockholm will start at normal exchange opening hours on 18 December 2017

For questions please contact the relevant distributor(s).
